

TEDDY™

COMPACT 5 L TABLE TOP MIXER - ROBUST CONSTRUCTION

Capacity of 5 litres, beautiful presented as well as compact size and easy to clean are features which make the new TEDDY a perfect partner in any kitchen, bakery or laboratory.

TEDDY is mobile and flexible due to its size. Its equipment & accessories makes TEDDY capable of solving many different tasks of cutting, mincing, mixing and whipping. The multi-functional operation button is placed ergonomically correct on both sides of the mixer. The operation of the mixer as well as mounting of tools and bowl is very simple. The bowls can be stacked, both with or without lids. The lids are available in various colours. TEDDY is quiet running and has a very strong motor. The intelligent motor operation protects the mixer against overloading. TEDDY is fitted with attachment drive as standard.
